Facials

The Dermalogica Face Treatment

This treatment forms the foundation of Dermatologica's selection of services. Includes removal of comedones.

Chroma White TR

A new era in skin brightening. The only system that delivers visible brightening and improved skin tone while improving skin health.

Medicated Cleaning Treatment

Breakouts have finally met their match.

Environmental Control Treatment

Even your most environmentally sensitised clients will benefit from this incredibly soothing protecting treatment.

Mini Facial

Give your skin a quick boost with this 30min facial.

Customised Exfoliation Treatment

Your Therapist will create an exfoliation treatment customised to your skins individual needs, revealing remarkable results after one treatment.

Facial Express

This relaxing 45min treatment feeds the skin and is so relaxing

Age Smart

The most powerful Dermatologica treatment for clients concerned with premature ageing, signs of photo-ageing and sun damage.

Body Care

For centuries, spa body therapy treatments has been embraced for their revitalising and therapeutic effects from ancient mineral hot springs to modern deep sea wraps, these treatments detoxify the body, destress the mind and revitalise the skin.

The Ultimate Spa Experience

This Unique 2-hour therapy treatment for face and body will leave you feeling refreshed and renewed, relax with an aromatherapy hydro active mineral salt scrub, followed by a detoxifying seaweed or super hydrating gel wrap. Finished with a deeply relaxing massage and skin purifying facial treatment.

Mineral Salt Scrub

This is the ideal pre-treatment scrub because it smooths away dulling debris while relaxing the client and hydrating the body.

Body Foliation Therapy

A gentle Oatmeal and Rice Bran powder activates to create a gentle yet effective exfoliant that whisks away dead skin cells and brightens skin.

Power Recovery Therapy

An intense wrap therapy dedicated to feeding your skin with the nourishment it craves. A unique blend of Wheat Protein and Honey acts as maximum hydrators while Wasabbi, Ginger and White Tea stimulate blood circulation to promote healthier skin.

Nourishing Sea Mud Therapy

To stimulate circulation while smoothing skin with this body wrap therapy that promotes skin nourishment.

Mud Massage Therapy

Treatment that combines detoxifying and cleansing capabilities of earth clays with the intensely moisturising power of natural oils. With hot thermal stamps.

G5 Body Massage

A deep massage using an electrical piece of equipment, helps to break down stubborn fatty tissue and reduce fluid retention.

Swedish

To relax your muscles and relieve tension. Also promotes a feeling of well being.

Back Purification

Deep warm de-toxifying treatment to help purify the back.
